Academic Professional Apprenticeships (APA) (updated January 2020)

Newly appointed academic professionals, including Associate Lecturers, engaged in higher education teaching and/or research have for some years been required to undertake the PG Cert HE programme unless they hold an equivalent qualification or relevant experience. This is because Middlesex University is committed to the professionalisation of teaching in higher education through recognition and the celebration of good practice in learning and teaching. The PG Cert HE carries academic credit, not only for articulating and demonstrating the scholarship of teaching and learning but, of equal importance, for evidence from practice which convincingly underpins espoused theory.

From September 2018, subject to eligibility criteria, Academics without a teaching qualification are now required to undertake the Academic Professional Apprenticeship or the PG Cert HE as appropriate. Key points (*please refer to the Academic Professional apprenticeship Guidelines for more detailed information*) <https://www.intra.mdx.ac.uk/key-information/academic-professional-apprenticeship>

- The Academic Professional Apprenticeship is expected to be completed over 18 to 24 months.
- Employees working less than 0.8 FTE will have the duration of the Apprenticeship extended.
- 20% of the contractual time is set aside for off the job Training (7 hours a week approximately).
- Applicants will be auto-registered on the Apprenticeship in October or January following their employment.
- Exemptions for prior learning can be considered, if some modules have been completed.
- The Apprenticeship is managed by the Education Department.

- Applicants have 2 years to successfully complete the programme.
- Staff completing the apprenticeship will be awarded: the Academic Professional Apprenticeship, the PG Cert Higher Education and Fellowship of the Higher Education Academy (FHEA).
